

ACCESS STATEMENT

The Gordons's Guest Accommodation is close (less than 5 minutes walk) to the Gorge and bus stops.

The Gordon's has had groups of guest with learning disabilities and have 3 positive approach to special requirements in this area.

Fridge space for medication is always available if required.

We adopt 3 no-smoking policy throughout the establishment. And fines are enforced.

Access to Gordon's is through the front door which has 2 steps from the road. Or by prior arrangement off the car park which is a tarmac surface but it has a small threshold and then 2 steps down to the Dining room.

The ground floor is level access to the Guest lounge and Dining room. We have downstairs WC facilities.

The ground floor bedrooms have access over a threshold and level access to en-suite facilities but are in the annexe building, which again has to access the dining room down 2 steps.

The rooms however have insufficient space to allow easy wheelchair use and Independent mobility is necessary to access the shower/bath toilet.

Our remaining rooms are situated on the first and second floor. This is reached via a carpeted stairway and landing.

The landings are well lit for ease of mobility during the night, there are fire doors to negotiate.

Assistance dogs are the only pets welcome in our ground floor bedrooms including the breakfast room.

All rooms have kettles and tea/coffee making facilities, hair-dryers ,flat screen TV and radio alarm clocks.
